FOODSERVICE

Introducing the 2011/2012 CAFP Toronto Branch Board of Directors. These Toronto branch members have generously agreed to volunteer their time and efforts to making the Toronto Branch of value to its members. To know them a little better each Board member was asked to describe their journey to their current position, to let us know what ignites their passion for foodservice, what their favourite food dish is, how they spend their free time, a life lesson or quote that they have acquired that they would like to share and finally what is something that their fellow colleagues do may not know about them. [Click here](#) to find out more about this dynamic group of professionals.

EVENT REVIEW

CULINARY ACADEMY

The September 12 event at Cirillo's Culinary Academy was a wonderful start to what will be a fun-filled enjoyable new year. Those who attended experienced good food, drink and conversation with their friends and colleagues as well as hearing how one man's food service dream is being realized.
