

January 2011

**In this issue:**

- ~Bursary Opportunities Available for Students
- ~Conference 2011 in Montreal
- ~Membership Survey coming soon!

# QUICK BITES

*A communiqué on National events and issues*

*On behalf of the National Board members, we wish you all the best in the New Year!*

## Membership Survey Coming Soon

To serve our membership better, our National office will be sending you an online membership survey. Please take a few minutes to complete it. Your opinion is very important to us. We depend on your responses to give us the information we need to provide you with a more relevant experience from your membership in CAFP.

## Student Bursaries Available

This year, the CAFP National Bursary Program will provide an opportunity for 16 student members to each receive a \$1000.00 bursary as well as the associated recognition within our industry. The deadline for bursary applications is Friday, March 11, 2011. Information about the bursary program, as well as application forms, in both English and French, can be found on the CAFP website at <http://www.cafp.com/en/programs/Bursary/NationalBursaries.asp>

The process is easy! Just download the application form, fill it out, and send it, along with the appropriate documentation, to the CAFP National Office. Applications must be postmarked no later than Friday, March 11, 2011.

For additional information, please contact either Helen Scott, the National Bursary Chair, at [hscott@burlodgeca.com](mailto:hscott@burlodgeca.com) or your faculty advisor to address any questions or concerns about the process. Good Luck to all our student members!

Professional members are reminded to support our student members and encourage them to apply.

## Conference 2011 Update

The 2011 conference committee is working diligently to plan a dynamic conference filled with valuable education sessions and great entertainment. The 2011 conference will be held at the Delta Centre-ville May 11-15 this year. This year, we are joining forces with the Canadian Society of Nutrition Managers (CSNM). Not only has this partnership strengthened the planning process, it will increase delegate networking opportunities during the conference.

Program updates will be added to our website – be sure to check it regularly.

In the meantime, go to: <https://reservations.deltahotels.com/profile/enrollment?execution=e2s1> to sign up for the Delta Privilege program. Conference registration will be coming soon!
