Dear Friends and Colleagues,

You are invited to join your distinguished industry peers at the **36th Annual Top Management Night Gala Dinner & Fundraiser** on Monday February 8th, 2010 at the Old Mill Inn & Spa in Toronto. Our keynote speaker this year is **Richard Worzel**, one of Canada's most prominent futurists, who will share with the audience his vision on the future of the industry, as well as society in general.

"Top Management Night is filled with energizing insights..." says Andrea Watson, CAFP Toronto President "...our upcoming event will continue to empower us." Top Management Night continues to be a must-attend event that recognizes outstanding achievement in many areas of the foodservice industry and is an invaluable networking opportunity.

Guests will be welcomed that evening with a Silent Auction and complimentary champagne reception starting at 5:00 p.m. following which, you will savour a culinary experience that commences promptly at 6:00 p.m.

CAFP is a not for profit association committed to growing the talent of future generations within the foodservice and hospitality industry. Last year our net proceeds contributed over \$11,000 in awards and bursaries to young professionals seeking foodservice and hospitality careers.
