Barbara Jaques, Stephanie Cooper, Andrea Watson
(Absent: Angelo Colalillo, Lesa Warner)

A communiqué on
Toronto Branch
events and issues

Platinum Sponsor

Gold Sponsors

The Toronto Branch Annual General Meeting and Elections took place on May 17 at the beautiful Estates of Sunnybrook.

Your Board includes the following individuals who have once again agreed to serve: Andrea Watson, Branch President; Angelo Colalillo, President Elect and Co-Vice President Student Development; Barbara Jaques and Steve Croft, Co-Vice Presidents Membership; Stephanie Cooper and Lesa Warner, Co-Vice Presidents Program; Shannon O'Donnell, Co-Vice President Communications; and Rosie Maclean, CFE, Vice President SMAC and National Director. Joining this very committed group are Karen Hill, Secretary; John Bennett, Co-Vice President Membership; David Shahid and Kathryn Hall, Co-Vice Presidents Student Development.

What followed was an evening of networking, good food, good conversation and a very informative presentation from Dave Gibson, Program Director, Summit Training and Frontier Team Building on "Team Basics: Developing a high performance team in 3,407 easy steps!" – which for our benefit and in the interest of time were reduced to 10! After those in attendance discovered how to get out of rope hand cuffs and lower a very light rod together - team took on a new meaning.

To the left (l-r) Shannon O'Donnell,
Mark Cator "uncuffing"

To the right Rosie Maclean and
friends lowering the rod

MEMBER NEWS

Congratulations to **Shannon O'Donnell** on her promotion to Group Account Director, Foodservice-Quadrant Marketing.

Congratulations to **Andrea Watson** on her promotion to Foodservice National Account Manager - Kraft Canada

Steve Burns' company, Surety Food Safety Group has entered into a provincial development agreement with the Green Table Network, Vancouver.

The Green Table Network is a not-for-profit enterprise driving made-in-Canada innovation toward sustainability in foodservice. We're a growing national group of leading foodservice professionals, joined by the people who supply and support us. We're making a conscious commitment to a shared goal — a deliciously sustainable future.

We put sustainability 'on the menu' through innovative solutions that measurably reduce the impact we have on our world, and also address these key challenges:

- our industry's heavy, wide 'footprint' in energy consumption and waste production;
- rising costs of ingredients, utilities and transportation;
- recruiting & retention of employees to a greener workplace; and
- growing customer demand for more local, sustainable and 'greener' dining.
